

## Diamond Luxor

REFERENCE PA626/8

### DESCRIPTION

Inspired by handcrafted jewellery. The Diamond Collection highlights a sense of luxury through the brightness of its imperial display. Opulent and extravagant, the collection reminisces on the hypnotizing glow of Sapphires, Emeralds, Ambar and Rubies. The rings of metal branches were carefully designed to incorporate nearly hundreds of gleaming stones, all for a final result of incredible shine and class, increasing to the measure of its length. Ideal for classic interiors, framing perfectly in bedrooms, dining and living rooms.
