

Voa Plié Small

REFERENCE 6042/2

DESCRIPTION

A swirl of wings cuts through the air, a play of light and shadow where poetry takes flight. The Voa Collection lingers in this fleeting moment, a symphony of swallows painting the sky with untraceable paths, their movements alive with freedom and grace. These creatures, sculpted by nature's hand, merge textured branches with the fluid elegance of their forms, balancing strength and delicacy in perfect unity. As if awakened by spring itself, tiny swallows emerge from their hidden refuges, entwining themselves with light and vitality as they twist and intertwine with their surroundings. Through their delicate ballet and enchanting songs, they breathe new life into every inhabited space, inviting you to witness the beauty of renewal and the choreography of nature itself.

Finish shown here Metal FO/PB | Glass 10 | Stone Beige Estremoz + Lampshade Bright Sand + Canvas Gold

TECHNICAL DRAWING

Designed and produced by hand in Portugal.

Serip reserves the right to make changes or improvements at any time it deems useful to guarantee the highest quality standards for its products.

Hand-finished, some variations may occur.

All the glass models are designed by Serip and exclusively handmade produced, establishing a unique and prestigious feature of the glass handwork art. For this reason, there is the possibility of variation in measures, weight, colour and shape represented.

CARE INSTRUCTIONS

Due to the nature of our exquisite hand applied finishes, wipe clean with a soft, dry cloth or static duster must be used to clean the fixture.

Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the fixture's finish.

Cleaning is limited to the outer surfaces, shades or glass. It is important to ensure that no moisture enters the terminal compartment or reaches any live parts.

As our products are subject to technical modifications, we cannot guarantee, that all information is always up to date. Please contact our [technical department](#) with any queries.
