

Luna Moonbow Two Levels

REFERENCE CT3407

DESCRIPTION

By the full moon contrasting light arises the Luna Collection, modern compositions with multiple rings of diffuse lighting. Designed under a mystical criteria of patterns, the circular pieces assume a position of high contrast and revolving texture, details that incorporate them as distinctive and eccentric, a bold choice in an interior design concept. Ideal for decorative patterns in walls of modern interior concepts.

Finish shown here Metal FO | Glass 10

Designed and produced by hand in Portugal.

Serip reserves the right to make changes or improvements at any time it deems useful to guarantee the highest quality standards for its products.

Hand-finished, some variations may occur.

All the glass models are designed by Serip and exclusively handmade produced, establishing a unique and prestigious feature of the glass handwork art. For this reason, there is the possibility of variation in measures, weight, colour and shape represented.

CARE INSTRUCTIONS

Due to the nature of our exquisite hand applied finishes, wipe clean with a soft, dry cloth or static duster must be used to clean the fixture.

Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the fixture's finish.

Cleaning is limited to the outer surfaces, shades or glass. It is important to ensure that no moisture enters the terminal compartment or reaches any live parts.

As our products are subject to technical modifications, we cannot guarantee, that all information is always up to date. Please contact our [technical department](#) with any queries.
