## Hana Armchair

SIMONE BONANNI

Create your own world in your safe space that is the Hana Armchair. Let the softness of the folds lure you in and when you step into that abundance of soft fabric, you're stepping into your own space and away from the hustle and bustle of the world. A moment of contemplation and ultimate relaxation. Mindfulness made tangible in the shape of a chair. The Hana is sculptured around the human body and its need to be pampered, embraced and accommodated for long stretches of time. The generous, cute, subtly curves allow for hours of lounging to daydream, read a book and let your imagination fly.

### *Detailing*

Hana's curves are complimented with carefully thought through folds, with the unique characteristics of all available fabrics in mind.
