

FOX WALL

Bernhard Osann

Essential aesthetics and pure functionality. The swivelling arc in painted iron allows wide movement, and gives the opportunity to both interact and decorate the space.

The adjustable cylindrical spotlight is equipped with a honeycomb filter, for directional and more comfortable light. The light beam is warm and diffuse.

FOX WALL

LAMPING

Source	LED board
Total power	15W
Emission	direct emission
Switching	dimmable on board
Tension	110-240V
Color temperature led	2700K
