IP 54

Designed in the same year as the Cesta lamps, Wally is an iconic wall lamp that shares the same opal globe shape and formal elegance. The structure, available in both matte white and matte black finishes, is fixed to the wall via a metal arm and ring that wrap around and support the glass shade.

The Wally Cestita wall lamp adds a distinguishing touch to any setting. It provides a diffuse and soft illumination for both indoor and outdoor spaces.

General description:
Matte metallic structure finished in black or white grey.
White opal glass lampshade.
Suitable for Outlet Box (American version).

Approximate weight (unpacked):
1,5 Kg / 3.3 lb
